Bianco Fusion

Bianco Fusion is a serene expression of balance, where soft grey veining flows gently across a white canvas. Its natural movement evokes calm continuity, bringing lightness and refinement to interior spaces. Subtle yet distinct, this marble embodies modern purity and timeless character, ideal for creating spaces that feel open, composed, and quietly luxurious.

Grigio Verde

Grigio Verde captures the quiet strength of nature in motion, where deep grey tones meet soft green undertones to form a fluid, organic rhythm. The marble's intricate veining evokes the serenity of stone shaped by water and time, lending depth and character to contemporary interiors. Both grounding and graceful, it brings a sense of composure and natural sophistication to architectural spaces.
